CLIENT PORTFOLIO

We have successfully worked with various companies in the industry some of them being;

I. Kenchic Limited

Blowers, pumps, pressure washers and plant gear boxes service and maintenance, motors rewinding.

ii. Market Masters / Greenhills Ltd - The Village Market

Maintenance department pumps maintenance and servicing and electric motors rewinding. Blower's servicing contract.

iii. Kiter Engineering Limited

Compressor Motors rewinding.

iv. Takataka Solutions Ltd

Supply of electrical & mechanical items and services, Motor Rewinding and general Industrial Equipment supply.

V. International Centre of Insect Physiology and Ecology (ICIPE)

Annual servicing of Tyre Changers, Car Lifts, Hydraulic Jacks, Compressors and Pressure Washer Machines.

vi. Alibhai Sharrif & Sons Ltd

Supply of Machine Spare Parts and Accessories

vii. Hydraulic Hoses & Pipe Manufacturers

Supply of Sleeves and Hydraulic Fittings.

viii. Bata Shoe Kenya PLC

Gear Box repair services, supply of Hydraulic Pipes and Fittings.

ix. PZ Cussons

Supply of offloading Pipes, Steam Pipes, Hydraulic Pipes and General Factory Equipment and Servicing Pumps and Motors

X. Gil Oil Company Ltd

Supply of offloading pipes, food graded hose, pumps and general Factory Equipment.

xi. The Safari Collection (Giraffe Manor)

Swimming Pool Pumps Repair, Motors Repair

Couplings and Fittings

PRODUCT SPECIFICATION

PUMPS

Diaphragm Pumps

50scfm Maximum air consumption,
Air intake connection size 1.5", Head
289ft, Maximum floor rate -106gpm.

Double Diaphragm Pump

Centrifugal Pumps

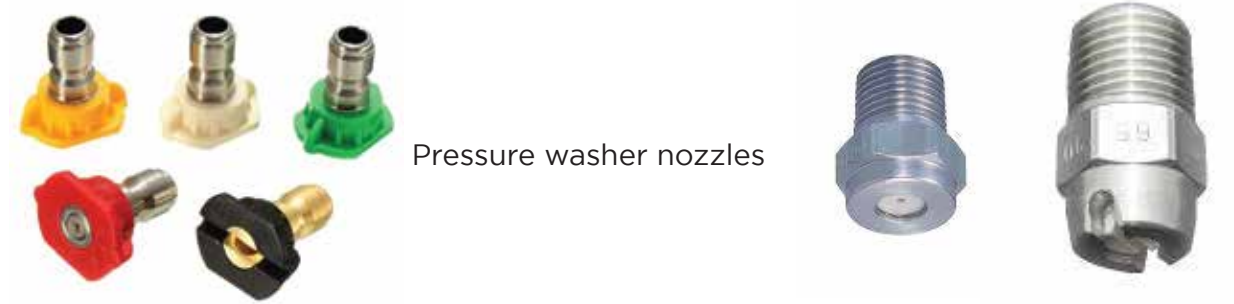

Single stage centrifugal pump, open impeller, medium aggressive liquids both clean and dirty. General circulation in industrial application.

Vertical Centrifugal Pumps

Multistage high-pressure pump for water treatment.

Pressure washer nozzles

China made machine nozzles and standard nozzles.

Standard pressure washer nozzle holder and 1/4 quick coupling socket for nozzle.

Filters

Pressure valves and O-rings

Ceramics

CAR LIFTS

Four post open cylinder hydraulic lift, 3.2 tonnes.

Four-cylinder scissor hydraulic lifts, 3.2 tonnes.

MACHINE SPARES AND ACCESSORIES

Pressure Regulators

Pressure washer regulators / unloader valves. 220 - 280 bar rated pressure, 30 - 40Lpm maximum water flow, 90 degrees maximum temperature

Valves

Pressure valves and O-rings

Pressure seals

Horizontal Centrifugal Pumps

Non-self-priming, end-suction, multistage, high pressure centrifugal pump with axial threaded inlet and radial threaded outlet

Booster Pumps

Submersible Pumps

Portable submersible pumps with vortex impeller, wide pump casing for pumping sewage and waste containing fibrous material, solids and submerged debris.

Dirty water submersible pumps, 7.5m maximum head and 175Lpm maximum flow with copper coil.

Grease Pumps

High pressure portable grease pump, capacity 12-45litres.

Gear Pumps

Marco up gear pumps

Loncin water pump, 35 max head, 100Lpm maximum flow

TYRE CHANGERS

Semi-automatic tyre changer with hydraulic and gear box motor

WHEEL BALANCERS

Wheel balancing machines,

BLOWERS

Three lobe roots blowers, 15-25Hp motors servicing and sale (on order)

Pressure Washer Guns and Lances

Gun and lance assemblies, 150-280bar maximum pressure, 550-1200mm single/split lance and 100degrees maximum temperature

Undercarriage cleaners, 275bar maximum pressure, 18Lpm maximum water flow and 90 degrees maximum temperature.

Foam Blasters

High pressure washers foam blasters and foam machine.

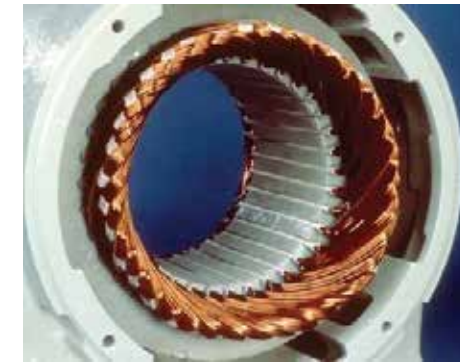

Automatic Carpet Cleaner

MOTORS

Machine Induction Motor

Motor copper winding

110 volts motor, 3Hp, 1400Rpm and 14mm male shaft.

415volts motor, 7.5Hp, 1450Rpm and 28mm

Fan Motors

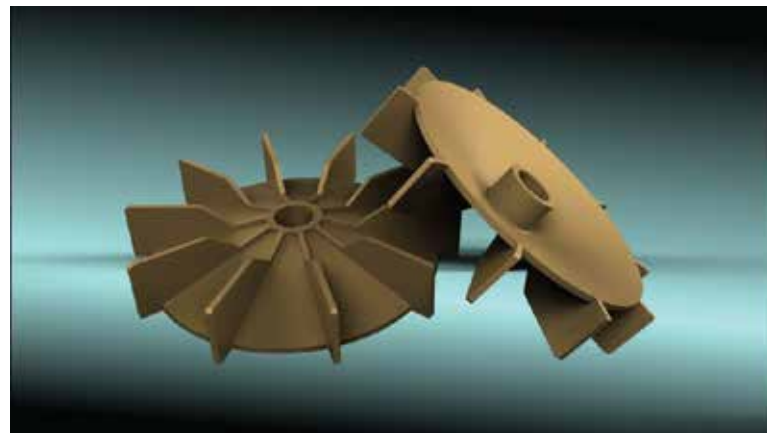

Motor Cooling Fans

Turbo fan for 5Hp medium speed motors

Extract fan

Low speed motors

ISSA640 wet/dry vacuum cleaner,
80Ltrs tank, 3 1,500 watts motors
with its accessories

Buffing Machines

110V - 130V, 600watts Car buffer and buffing pads.

Carpet Cleaners and Floor scrubbers

Industrial scrubbers with polyscrub brushes.
Water brooms and flat surface cleaner,
276bar maximum pressure and 60degrees
maximum operating temperature.

HBX W7/13 Single phase, Germany
5Hp, 220V, 1420Rpm, 3.2Kw, 15.4Amps, 12Lpm, 1800Psi

Pioneer/Hisaki Single phase, China
5Hp, 240V, 2800Rpm, 3.2Kw, 21Amps, 10.7Lpm, 2600Psi

Pressure Washer Pumps.

Interpump WS201/2 Pressure pump, Italy.
15Lpm, 2900Psi

Interpump 44series Pressure pump, Italy.
12Lpm, 1450Rpm, 1450Psi

1507 Series pressure pump, China
10.4Lpm, 2600Psi

Vacuum Cleaners

515 dry/wet vacuum cleaner, 27Ltrs tank, 1,500 watts motor.

Wet/ Dry vacuum cleaner, 100Ltrs tank, 3 vacuum motors

Wet/dry multifunctional carpet shampoo extractor/ vacuum cleaner, 35ltrs, 11,500 watts motor. Carpet &

Carpet & sofa cleaner, 220V, 50Hz.

GEAR BOXES

Gearbox Motors

PIPES

High pressure/ Hydraulic hoses Sizes; 1/4, 5/16, 3/8, 1/2, 1 inch R2 pipes, 350bars, 5075Psi for water and hydraulics.

Vacuum cleaner hose 1.5 & 2 inch, 38mm & 50mm diameter.

Composite/Offloading hose

4inch, 100mm inner diameter, 200Psi, high tensile steel wire reinforcement.

COMPRESSORS

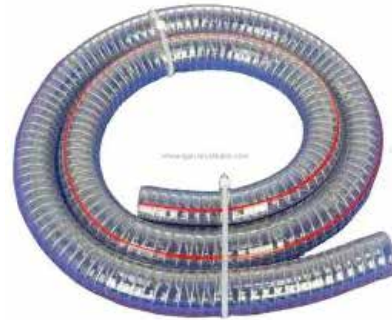

155Psi, 120V Air compressor pump

Steam Hose

1inch, 25mm inner diameter, 250Psi, high temperature braided flexible iron, high abrasion resistant cover

CLEANING EQUIPMENT

Clear reinforced pipes

1", 25mm inner diameter, 10-70°C working temperature, food grade steel reinforced hose.

Pressure hose guard.
